# Bug Report:

## ATM’s language is mixed between English and Hindi after changing the language from English to Hindi

**Test object:** Language Localization

**Environment:** Android 16, Chrome

**Preconditions:**

1. The website is open
2. The language is English

**Steps:**

1. Scroll down to the language buttons
2. Choose the button for Hindi language

**Expected Result:**

1. The ATM’s language should be changed all to Hindi

**Actual Result:**

1. Some buttons and instructions are still in English

**Attachment:** screenshot_Language.jpg

**Severity:** Low

**Priority:** Low
